

The Tutor.com Student Center

1-to-1 • Online • On-Demand

Free Academic Help When and Where You Need It

As a working parent, you may need help balancing the learning needs of your children with your work life. We can help with this **special family benefit**: Expert online tutoring for K-12 and college students from the experts at Tutor.com.

Tutors are available 24/7, 361 days a year to help with:

- **Homework**, studying for **exams**, and **concept review**
- **Writing assignments** via a live session or drop-off review
- **Most every subject**—math, science, English, history, & more!

Tutor.com has delivered 19 million sessions over the last two decades. Over 95% of surveyed users say that Tutor.com helps them complete their homework, improve their grades, and become more confident in their academics.

Now it's your turn.

*“...one of
the best
things my mom’s
job offers!”*

*“This has been
helping me
improve
my grades
for years.”*

*“Simply a
great
service for
my son!”*
