### Classroom Introduction & Interview Scheduling

The next step in the process is to request your interview.

Before you start your classroom introduction & interview, have you done the following?

- Visited [Applicant Central](#)
- Reviewed the [CII Applicant Guide](#)
- Downloaded and installed the [Classroom](#)
- Ensured that your headset or speakers/microphone are functioning and have passed the Voice Test in the Classroom

To review our manuals, videos, and other helpful guides, [please visit Applicant Central](#)

#### HD Tutor Recruit?

Please log out and check your email for your interview scheduling instructions.

[Start Interview and Classroom Introduction](#) ←

You will then be directed to the connection interface. Note that CIIs are only conducted between the hours of 8 am and 11 pm EST. You will also need to select “**Chat with Voice**” as you will use both voice and video during your interview.
