

Elementary School Teacher Testimonial

Class profile

I am a teacher who has taught upper elementary grades for 27 years at a school in Honolulu, Hawai'i. My class is made up of 25 students with various learning abilities and needs.

Objective

My goal in using this program is to allow students an opportunity to get help on their assignments and projects during school and/or after school.

My students said that they used Tutor.com to

1. ...get help on math problems and concepts that they did not understand.
2. ...get help on their writing.
3. ...understand vocabulary while reading a novel.

My students said that Tutor.com helped them in the following ways:

- ✓ Made the students understand math formulas better.
- ✓ Gave students a better understanding of the concept and it allowed the students to get similar problems correct.
- ✓ Students had an opportunity for someone to check their work.
- ✓ Allowed the student to understand the story better because the vocabulary was explained and the student was able to understand the plot of the novel.
- ✓ Helped the student to use more descriptive words on their personal narrative and improved their writing.
- ✓ Helped them understand their writing and what words they should use in their personal narrative.
- ✓ Made the students' personal narrative more fluid and smooth and not mixed up.
- ✓ Helped to edit student personal narrative writing and made the narrative sound better.
