

How It Works: SAT®/ACT® Essentials

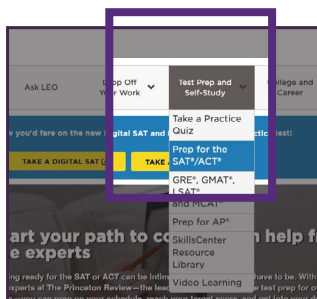

Reach your target score with free resources from [Tutor.com/Military](https://www.tutor.com/military)

Preparing for the SAT or ACT? Our self-paced resources, created by a team of test-prep experts, are available to you free from Tutor.com!

1

Get started

Log in to your [Tutor.com/military](https://www.tutor.com/military) account, click on **Other Tools**, then select **Prep for the SAT/ACT**. From there, you can choose to start prepping for the SAT, ACT, or both.

2

Set your goals and targets

Set your **target test date and your target scores** on the home page. This will help you stay on track and moving toward your goal.

3

Take practice tests

Click on the **PRACTICE TESTS** tab to take a full-length practice test on paper or online. Use a timer like on the real test, or take it untimed to get a feel for what to expect. You can retake the test as many times as you'd like, and track your progress over time.

4

Get your score report

Once you've taken a practice test, you can view your full score report. You'll be able to see your overall score as well as what you scored for each section.

The Areas of Focus section at the bottom of the report will show your areas of strength and opportunities for improvement. Here, you'll also receive video lesson and practice drill recommendations personalized to your current needs.

5

Continue your practice with additional drills and lessons

Click on the **COURSEWORK** tab to find all our video lessons and practice drills for each core concept covered on the test.

6

Connect with a live tutor Resources

Use your [Tutor.com/military](https://www.tutor.com/military) account to maintain or improve your GPA with 1-to-1 subject tutoring. Click **Connect now with an expert tutor** to get help in a variety of subjects, including writing support to help you refine your college application and scholarship essays. To review your SAT or ACT practice tests with an expert tutor, select the SAT or ACT prep subjects from the topic drop-down menu.

College Admissions

Stay on top of your college application process with 120+ tailored tools, including trackers, checklists, videos, and more.
