TUTOR WV

Introducing TutorWV's New

One-Click Tutoring

Forget the days of multistep navigation. Our latest One-Click feature streamlines the process so you can focus on what really matters—getting personalized support—exactly when you need it.

How It Works
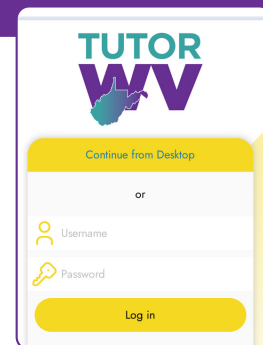

Scan. Log In. Learn.

For library programs with guest access:

→ Scan your institution's QR code and get directed straight to the Pre-Session Survey on your phone.

No login required! Start your tutoring session right away.

Why You'll Love It

✓ **Friction-Free:** Our One-Click option is designed to save you time.

✓ **Mobile-Friendly:** Get help on the go from your phone.

✓ **Rapid Human Connection:** Go directly to an expert for support with whatever you're working on.

Scan the QR code to get started!
